Wyedean Adventure Centre have a range of activities to make sure that no matter what you want to try this year, there will be something for you. Catering for a wide range of ages, you can bring the whole family along and try out the majority of activities on offer and if you want to turn your trip into a few days, they will only be too happy to help with accommodation as well.

The team at Wyedean Adventure Centre can provide a picnic lunch which can be taken at one of the many stunning viewpoints which are hidden away off the beaten track near our centre.

And why do they do all of this?

Well, they firmly believe that this is a fantastic opportunity to get away from the TV and get a real taste of adventure and fresh air, because there is nothing better than being in the open countryside enjoying something a little bit different to the norm.

The list of activities at Wyedean is extensive, including:

- Rock Climbing
